

## FIELD AND BUILDING USE

- A. All Abington Heights School District organizations may use the Abington Heights School District facilities at no cost. If the time or nature of the request requires the Abington Heights School District to incur an additional cost, the organization must reimburse the District for that cost. [Example: If a custodian is required for a Saturday event in the winter, the organization must pay for the custodian and any extra cost to heat the building/room.]
- B. All not-for-profit organizations not charging admission may use the Abington Heights School District facilities at no cost. If the time or nature of the request requires the Abington Heights School District to incur an additional cost, the organization must reimburse the District for that cost.
- C. All not-for-profit organizations charging admission will be charged the assigned rates. If the time or nature of the request requires the Abington Heights School District to incur an additional cost, the organization must reimburse the District for that cost.
- D. All for-profit organizations, regardless of admission charge, will be charged the assigned rates. If the time or nature of the request requires the Abington Heights School District to incur an additional cost, the organization must reimburse the District for that cost.
