NURSE'S CORNER :

DENTAL AND PHYSICAL FORMS

Pennsylvania School Health Law requires parents to submit evidence of dental and physical exams (well checks) for their child.

- Dental forms are required for kindergarten, third grade, and new students.
- Physical forms are required for kindergarten and new students.

Please submit outstanding forms as soon as possible. If you do not have a dentist or primary care physician for your child, free exams will be offered by the school district in the spring (Exam only, no treatment).

Please let the nurse know if you would like your child to be added to the list for the school exams.
